RENFREW MUSEUM & PARK 1010 EAST MAIN STREET WAYNESBORO PA 17268

DECEMBER 1981

HAPPY HOLIDAYS!!!! The Staff of Renfrew Museum & Park would like to begin this Newsletter by thanking each and every one of you who has helped support Renfrew during the past year. This year has been our best year EVER with more visitors, more citizens joining the Friends of Renfrew, the opening of modern restrooms, and our new Visitor's Center lecture area in use. We hope we have been able to provide programs of interest to you. With your help we will continue to do so! SO from all of us to all of you--the Merriest of Christmases and the Best of New Years!!!!!!!!!!!!

Now through December 20 Christmas decorations will be on view in the Museum. Our lovely Cedar Christmas tree was donated by Bercaw's Village Barn, 10562 Buchanan Trail East, Waynesboro, PA. Bercaw's has a complete supply of flower arranging materials and other goodies for holiday decorating. Thanks for helping us!

THANKS ALSO TO: those who have helped make our Christmas exhibit complete by the loan of period toys and Christmas decorations, Mrs. Raymond Vingling of Williamsport MD for loaning three lovely 19th century dolls; Dr. & Mrs. W. L. Guyton for the donation of early Christmas decorations including a rare cast iron Christmas tree fence and the loan of a lovely set of German skating party figures. These beautiful hand-painted minatures must be seen to be appreciated & Mrs. Phyllis Brothers for the donation of some unusual fruit decorations

Boy, it looks like the office at Renfrew!!!

Don't forget: Sunday, December 20 is the last open day for the Museum until April 1, 1982. So Don't Delay--Come Out Today! The Staff will still be working away throughout the Winter, and the next newsletter will be mailed in March 1982.

FRIENDS OF RENFREW
