IN MEMORY--May saw the passing of one of Renfrew's finest friends--Mr. Richard A. Miller. Dick was instrumental in opening Renfrew to the public and shaped many of it's policies and programs. His enthusiasm and interest in both the Museum and Park went well beyond his official duties as Waynesboro Borough Manager. He was involved in forming every aspect of Renfrew from the initial restoration of the museum, planning of the picnic area, to his help in planning the future renovation of the Renfrew Barn as a Visitor's Center with restrooms and lecture hall. The Renfrew Staff feels privileged to have had the opportunity to work for and with such a good man.
