NOVEMBER 1981

THE HOLIDAY SEASON IS UPON US!!!!!! Why not take a break from the hustle and bustle of the Holidays to visit us!

DECEMBER 5 through DECEMBER 20 Renfrew Museum will once again be decorated for CHRISTMAS IN EARLY AMERICA with a Victorian Christmas tree. The Christmas tree will display several new additions--19th and early 20th century decorations donated during the past year. Letitia Allen, Associate Curator, has been working on some new arrangements for the period rooms. Come on by and get some ideas for decorating your own home!

THROUGH DECEMBER 20 "BLANKET CHESTS IN THE PENNSYLVAINA-GERMAN STYLE" the final exhibit of the 1981 season is one you won't want to miss. The display is drawn from chests loaned by private individuals, as well as, a few never before exhibited from the Nicodemus Collection. Serving as a backdrop to the chests are several quilts and coverlets from the Museum's Collection.

SPECIAL THANKS TO AREA EAGLE SCOUTS Several young men have been working on Eagle Scout projects by contributing their time, labor, and talent to help Renfrew. Bruce Carbaugh, 12855 Old Forge Road, painted, stained, and installed 32 park signs and 20 posts in various locations around our 107 acres. Harold Kindig & the Vo-Tech School Wood Shop and Larry Ludy & the Waynesboro Senior High Wood Shop made up the signs and routed out the letters on each. Bruce then stained all the signs and posts, outlined the letters in white paint, and installed the signs.

DAVID HERR, 15 Wynnecrest Drive, has been working on a "Tot Lot" located next to the Renfrew Parking Lot and the Picnic Area. He created a balance beam, see-saw, and log climber all out of natural materials to keep with the rustic atmosphere of the Park. Children can now use these facilities whenever the Park is open (dawn till dusk). CHRISTOPHER LEARY, 148 West King Street, is to begin work on the remainder of the "Tot Lot" to include a sand box and another climber.

JOHN MAXWELL, 12 Wynnecrest Drive, is working on another valuable project involving identifying and labeling 200 trees along the nature trail and in the picnic area. It is a big project and one that will be much appreciated by all Nature buffs.

DANIEL HERR, 15 Wynnecrest Drive is working on a project which will make him very popular with all of us who regularly walk or jog along the nature trails. He is planning to build two new foot bridges, using all natural materials, across the springs along the Edmajoda Trail and from the Mill Race to the Old Mill and Salty Grimes Trails. The footbridges now installed were meant only for temporary use, and are now in very sad shape. New footbridges will make this area much more accessible for everyone.

THANKS TO ALL OF YOU FOR YOUR INTEREST IN AND SUPPORT OF--RENFREW!!!!!!!!!!!!
