ANTIETAM GARDEN CLUB

MAY, 1979

NO. 7

CONGRATULATIONS TO THE ANTIETAM GARDEN CLUB: The Garden Club Federation of Pennsylvania Convention held at Buck Hill Falls is over and congratulations to us!

We came home with four State Awards! 1978 Flower Show Schedule; 1979 Year Book; Civic Achievement for work done at Renfrew, and June Mumma for her work at Renfrew; congratulations to all.

FLOWER SHOW TICKETS: Get your Flower Show tickets to sell from Lora Jean Greenawalt. Please put in a little extra effort this year to sell all your tickets.

SIGN UP TO MAKE AN ARRANGEMENT FOR THE FLOWER SHOW: If you have not signed up to make an arrangement in the Flower Show, please consider the fact that a class cannot be judged unless the four spaces are filled. So "jump right in" and do an arrangement--- you'll be pleasantly surprised---and very good practice for next years' flower show. Call Helen Jordon. Both of you will be glad you did.

HELEN NEEDS WOODEN HORSES: Helen has sent out a plea for wooden horses and tables. Please call her if you have these items available or know who can lend us about 12 tables.

HONORS WON BY THE FOLLOWING: Ribbons were won at the Chambersburg Daffodil Show by Phyllis Akers; Lib Brown; and Betty Williams. It was a lot of fun and good practice. I, personally learned two very important points---which I will gladly pass on to you at the next work shop, which will be May 10 at Lib Brown's garage. Another work shop will be held May 24.

REGULAR MEETING: May 22 which would be our regular meeting, will be a work day at Renfrew to finish weeding and to make last minute plans for the Flower Show.

WORK SHOP: May 31 is scheduled for a work shop but probably should be spent at Renfrew setting up the horticulture tables, etc., since this is the day before the Flower Show.

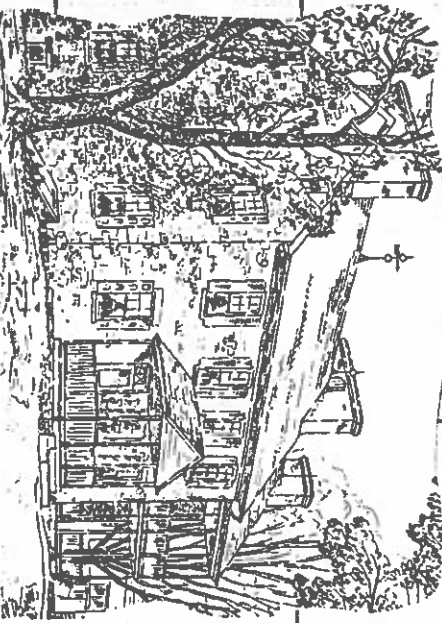

ARBOR DAY: We planted a tree! With the approval of the executive committee, a tree was purchased at 1/2 price. thanks to Lib Brown. The tree was planted with the help of our first two Junior Gardeners and several neighborhood children, two husbands and two girls who came along with Sid Miller just for the fun of it! It was planted and dedicated at the Wayne Heights Civic Park maintained by the Lions Club.
